A bar tab can be set at the beginning of your function with a specified limit or amount in mind that you feel comfortable with spending.

This can be reviewed as your function progresses and increased if need be.

However, we will always ensure you are in control of the amount throughout the event. At any point you are welcome to turn the bar into a cash bar so your guests can purchase their own drinks.

CASH BAR

Allow your guests to choose from our extensive beverage selection, which they can purchase throughout your function.
